Re: Combined Campaign Report  
Our File No. I-92-423

Dear Ms. Vonada:

This is to confirm advice provided to you on July 24, 1992, regarding the campaign disclosure provisions of the Political Reform Act (the "Act").<sup>1</sup> This letter constitutes written advice under Section 84205.

Section 84205 states:

The Commission may by regulation or written advice permit candidates and committees to file campaign statements combining statements and reports required to be filed by this title.

Pursuant to Section 84200.5(f), committees formed to support or oppose the qualification of a ballot measure that qualified for the November 3, 1992 election in the City of Hayward must file a 21-day post-qualification campaign statement no later than October 24, 1992, covering the period October 1, 1992 through October 17, 1992.

However, because the 21-day statement and the 2nd pre-election statement due for the November election (Section 84200.7) cover identical periods, it would be appropriate for committees primarily formed to support or oppose the qualification of the ballot measure to combine those two reports.

Commission regulations appear at 2 California Code of Regulations Section 18000, et seq. All references to regulations are to Title 2, Division 6 of the California Code of Regulations.

Therefore, we advised you that the combined statement should cover the period October 1, 1992 through October 17, 1992, and should be filed no later than October 22, 1992.
